Official Rules and Regulations

The theme is **My Hometown**. How you interpret that is completely your choice!

- Use only genuine LEGO® brand building bricks, elements, and pieces in your creation. You may use a non- LEGO® sturdy base or board, backdrop, title sheet, or other supporting elements, however, anything that could be built using LEGO® bricks should be built using LEGO® bricks.
- Creation must be no larger than a LEGO® 36x36 baseplate and no taller than 24” (60cm).
Width: The build should not extend out past your baseplate
- Creation should be sturdy, easily transported to and from your home, requiring minimal setup at Agrifair. Event staff will be placing your model in the display area so make sure all elements are firmly attached to your MOC (My Own Creation).
- MOC Creation must be built by the entrant alone – no substantial help from older siblings, parents, etc. unless it is in the family entry category.

- **Creation must be original – it should not be built from existing LEGO® building instructions, or be essentially identical (in whole or in part) to an existing or previously available LEGO® set.**
- **Entries are limited to one per person in the individual age categories and one per family for the family build category.**
- **While best efforts will be made to protect contest entries, the Contest Sponsors are not responsible for lost, stolen, or damaged creations or LEGO® elements. Leave your most treasured minifigures at home.**
- **Winners must be able to bring your finished creation to the Agrifair office on Thursday, July 28th, 2022 between 10:00 am and 7:00 pm.**
- **Winners must be able to pick up your creation from the Agrifair office on Monday, August 1st between 10:00 am and 2:00 pm. Any entries left after this time may be donated to charity.**

Challenge Details:

There is no fee to enter the LEGO® Brick Building Challenge.

Your creation should somehow tie into the theme **My Hometown. A panel of judges will evaluate all entries based on the following criteria:**

20% - Interpretation of the Theme

20% - Presentation

20% - Creativity and Originality

10% - Creative use of LEGO® elements
