Message of Welcome from the office of Mayor Ross Siemens

On behalf of the City of Abbotsford and Abbotsford City Council, I'm honoured to welcome you to our community for the 117th annual Abbotsford Agrifair!

Thank you for being a part of this year's celebration of all things agriculture. Agrifair has been a longstanding summer destination, as families from across the Fraser Valley and beyond descend on Abbotsford to take in the rides, attractions, exhibits and 4-H competitions.

Abbotsford has a strong 4-H tradition, and it's always a highlight to see the next generation keep that tradition alive. Agrifair honours our heritage and where we've come from, but it's also an opportunity to reflect on where we're going. And with all the talented young people joining us to showcase their skills, it's clear that the future of agriculture in the Fraser Valley is in capable and passionate hands.

We wish you all success in your events. You all worked hard to get here and I'm sure you're all excited to put your training and preparation to work. But while it is a competition, it's also a chance to meet members of other 4-H clubs and make new friends.

During your visit, we encourage you to take some time to check out all that our community has to offer. Abbotsford is the cultural and economic hub of the Fraser Valley, and there is no shortage of sights or activities, especially during the summer. Visit goabbotsford.ca for a full calendar of community events.

Thank you very much, have fun, and enjoy your time in Abbotsford!

Sincerely,

Ross Siemens
Mayor

- Message from Agrifair President -

On behalf of the Board of Directors, I'm excited to welcome all exhibitors and guests to the 2026 Abbotsford Agrifair, our community's annual fair.

Our theme this year is "Hey Neigh-bor." A fun way to nod to the year of the horse!

With a background in agriculture, I want you to know your experience here matters.

Agrifair values our partnership with the agricultural industry, a critical part of our fair.

The agricultural community built the fairgrounds, proving that agriculture is central to our event and community.

At Agrifair, we believe that through this partnership, our community learns about and appreciates our agricultural roots.

Agrifair seeks to host a great fair where industry shows visitors can see how agriculture connects our past to shaping British Columbia's future.

Farmers feed people, and Agrifair respects everyone who helps feed our community. I look forward to seeing you at the 117th Abbotsford Agrifair, the best little country fair!!

Check our website often to stay up to date on all the exciting activities we have planned at <https://www.agrifair.ca/>

Regards,

Stephanie Nelson, President

- Message from Agriculture Coordinator -

It is my pleasure to welcome you to Abbotsford Agrifair 2026. Agrifair has been an asset to our city and community for 117 years and continues to bring people together. I am pleased to return to Abbotsford Agrifair as the Agriculture Coordinator. I am very excited to be back and have a great show!

A little bit about me: I have been around agriculture all my life, with 4-H, past and current jobs and more.

I just completed a Bachelor of Applied Science in

Agribusiness at Olds College of Agriculture and Technology. I look forward to welcoming all of our livestock exhibitors to the fair and supporting our various shows throughout the August long weekend.

Please do not hesitate to reach out with any questions. agriculture@agrifair.ca
