

Abbotsford Agrifair

Haul in / Haul out Form 2024

Haul in and haul out at the Abbotsford Agrifair is very specific and it is important that this document is filled out and read. If you attended the fair as an exhibitor in 2023 you will be very familiar with the process. We are encouraging ALL Open Horse exhibitors to stay the whole weekend, but we are allowing daily move in and move out time slots, but they will be very limited. Our arenas are very busy this year between the Open Horse Show, 4-H Exhibitors, Trevor Mertes Horse Clinics and the Country Horse Classic performers being on site. Please be patient with us, and the busy, exciting fair we have planned for you.

Note: 4-H is required to be onsite all three days! Unless otherwise discussed with the Ag Coordinator.

Gate hours for the public:

Friday: 12pm-10pm, Saturday/Sunday: 10am-10pm

Barn hours for public viewing/access:

Friday 12pm-8pm Saturday 10am-8pm, Sunday 10am-5:30pm

Friday August 2nd all 4-H, CHC performers and all other exhibitors that are going to be on site need to be on the grounds and set up by 10am.

Please see all haul in and out option times on the next page.

The barns on Sunday will be closing at 5:00pm, you can begin to pack up and move out at 5:30pm on Sunday. This is a controlled move out; exhibitors need to beware the entire fairgrounds are still operating, and the public is on site while we are doing this move out. This means that you need to drive on to the site at your assigned time with your rig around to the barns, load up as soon as possible and head out the back gate.

Monday: you are more than welcome to move out this day if every animal and all your stuff is gone by 8:00PM NO EXCEPTIONS.

Club Name / Exhibitor Name: _____

Please check which box applies to your club/group. Check one box under haul in and one box under haul out.
